As the Council's annual ordinary receipts fall short of its annual ordy

expenditure Dy No; it cannot be said that the condition laid down in para 2 of G.O No 1949 PH (N) dt 10-7-1944 for the grant of the higher scale of pay to medical officers is satisfied in this case. The Council's proposal may be negatived and the Council ~~[illegible]~~ informed that it may renew the proposal in Dec 1945, if its ordy receipts balance its ordy expenditure under the Genl Acct, according to its B.E. for 1946-47.
